### **What's wrong with privilege theory? - International Socialism**

In university circles and on the radical left, discussion of oppression has long been dominated by the ideas of privilege theory and intersectionality. 1 With the defeat of the workers' movements from the late 1970s, analysis based on class was buried, giving rise to what Lise Vogel refers to as "the relative isolation many of us felt ...

### **Social reproduction theory: back to (which) Marx ...**

These days, the word socialism gets tossed around so much, it's almost lost all meaning. Originally, though, it was the bedrock of Marxism and meant that workers and their community should control the market for what they make.

### **socialism - Dictionary Definition : Vocabulary.com**

The Third International Theory, also known as the Third Universal Theory (Arabic: *ثالثة عالمية نظرية*), was the style of government proposed by Col. Muammar Gaddafi in the early 1970s, on which his government, the Great Socialist People's Libyan Arab Jamahiriya, was officially based.

### **Third International Theory - Wikipedia**

Socialism, social and economic doctrine that calls for public rather than private ownership or control of property and natural resources. According to the socialist view, individuals do not live or work in isolation but live in cooperation with one another.

### **socialism | Definition, History, Examples, & Facts ...**

Socialism is an economic and political system where the ways of making a living (factories, offices, etc.) are owned by the workers who run them and the people who depend on them, meaning the value made belongs to the people who make it, instead of a group of private owners.
