Congress, through the Internal Revenue Code (IRC), provides several sections governing when the federal tax lien and the estate and gift tax lien arise, how these lien interests compete with the interests of other creditors, and how taxpayers and third parties can seek relief from the effect of these liens.

### **5.17.2 Federal Tax Liens | Internal Revenue Service**

A corporate tax, also called corporation tax or company tax, is a direct tax imposed by a jurisdiction on the income or capital of corporations or analogous legal entities.

### **Corporate tax - Wikipedia**

Companies operating in today's global economy face a highly complicated world. All major governments have enacted competition laws—and regulators are aggressively enforcing them with penalties that can have a material impact on a company's performance.
