There are many different ways to study for the big test, but using every strategy in the book can lead to confusion. Preparing for your certification exam does not need to be like throwing darts at the wall blindfolded.

### **Free Exam Edge Practice Tests and Exams from ExamEdge.com**

Nurses play a critical role in making our health system work. Some of these professionals feel driven to master fresh medical research to create better outcomes for patients. Others live on the frontlines, working closely with patients, addressing critical needs, and finding ways to engender better
