The Dresden Files (TV series) - Wikipedia

The Dresden Files are set in a "alternate" Chicago where magic is real, but only a few actually believe in it; it's a first-person tale told by an irascible wizard named Harry Dresden, who regularly gives the magical establishment indigestion — and the police, the same.

As a side bar this was a fucking bitch to post because the forum notices make it all but impossible to post on mobile. If you're having similar issues the solution that worked for me was to click on the poll and keep hitting next in the bottom right till you get to the post button as the notices physically block you from posting otherwise.
