BGC offers you the potential to work on challenging projects in an environment that is focused on teamwork and personal and professional development

BGC Engineering

Find out what you'll learn. At Colorado State, there are two primary methods to explore your passions: majors and concentrations. A major is the degree you will earn at graduation, while a concentration focuses on a specific field of study related to a major.

Majors and concentrations | Admissions | Colorado State ...

Geology is the science comprising the study of solid Earth, the rocks of which it is composed, and the processes by which they change. Geology can also refer generally to the study of the solid features of any celestial body (such as the geology of the Moon or Mars).

Geology

We are the global standard in petroleum engineering and structural geology software tools. Petroleum Experts (Petex) is a petroleum engineering and structural geology company, developing a wide range of software tools.

Petroleum Experts Oil, Gas, Structural Geology Software ...
