## **Food Photography: How to Take Mouth Watering Shots of Food**

One of my first jobs in photography involved shooting food, including doing shots for a cookbook. I learned a lot about food styling and choosing the right props. If you've ever needed to take some food photographs or think this is something you might want to try, here's a few quick tips for you to [...]

## **11 Quick Food Photography Tips to Make Mouth Watering Images**

As many of you know, Tumblr has instituted some new rules governing the content of blog posts. I can't really discuss the details and effects of the new regime without bringing the censorbots down on this post, but the upshot is that some of Looking for Snapshots is now offline, probably for good, and I expect more trouble.
