Gear Vendors Under/Overdrive Install - Deep Trouble ...

A Gear Vendors is about the only thing you could do to the car that would not depreciate its value, because the car is still original, no mods. You keep the original driveshaft and tailhousing in the garage but now you can drive it, cruise it, get on it and grab a gear with no clutch. And if you sell the car it is likely going to go for more because both the collector or a driver will be ...
