The history of baseball in the United States can be traced to the 19th century, when amateurs played a baseball-like game by their own informal rules using homemade equipment.

History of baseball in the United States - Wikipedia

The question of the origins of baseball has been the subject of debate and controversy for more than a century. Baseball and the other modern bat, ball, and running games, cricket and rounders, were developed from folk games in early Britain and Continental Europe (such as France and Germany).
