Overview "International business" is also defined as the study of the internationalization process of multinational enterprises. A multinational enterprise (MNE) is a company that has a worldwide approach to markets, production and/or operations in several countries.

International business - Wikipedia

From a business perspective, the primary incumbent in an international business environment is the multinational enterprise (MNE), which is a company that pursues strategic success in global production and sales (i.e. operating within a number of country borders). The number of examples of this type of firm is constantly growing. From fast food chains like McDonald's to auto manufacturers ...
