International Journal of Computer Science Issues - IJCSI

International Journal of Computer Science Issues - IJCSI

International Journal of Computer Science and Security (IJCSS) is a peer review open access journal publishing the state of the art research in computer science and computer security technologies. IJCSS considers any material dealing primarily with the technological aspects of computer science and computer security. Subjects covered include: computer engineering, computer graphics, computer networks, computer security, cryptography, operating systems, programming languages, theory, design ...

International Journal of Computer Science and Security - IJCSS

The International Journal of Computer Science in Sport (IJCSS) is published in association with the International Association of Computer Science in Sport (IACSS).

International Journal of Computer Science in Sport

IAENG is a non-profit international association for the engineers and the computer scientists. IAENG publishes scholarly peer-reviewed research journal. The journal can be available online with full-text content freely. IAENG organizes conferences like IMECS, WCE, WCECS.

Welcome to IAENG International Journal of Computer Science ...

The International Journal of Computer Science Engineering (IJCSE) is an international scholarly open access, peer reviewed bi-monthly journal. The journal aims at providing a platform and encourages emerging scholars and academicians globally to share their professional and academic knowledge in the fields of computer science, engineering, technology and related disciplines.

International Journal of Computer Science ... - IJCSE

The International Journal of Computer Science Education in Schools (IJCSSES) is committed to increasing the understanding of computer science education in schools by publishing theoretical manuscripts, empirical studies and literature reviews.

International Journal of Computer Science Education in Schools

International Journal of Computer Science and Information Technologies (IJCSIT ®) is published using an open access publishing model, which makes the full-text of all peer-reviewed papers freely available online with no subscription or registration barriers.

INTERNATIONAL JOURNAL OF COMPUTER SCIENCE AND ... - IJCSIT

IJCSNS International Journal of Computer Science and Network Security | Call for papers (Due : November 20, 20 15) Publication Date : November 30, 2015

IJCSNS - International Journal of Computer Science and ...

International Journal of Advanced Computer Science and Applications (IJACSA) Computer Science Journals - Open Access IJACSA is a scholarly computer science journal representing the best in research.

Computer Science Journals | IJACSA

IJCSIS. The International Journal of Computer Science and Information Security (IJCSIS) is one of the leading open access publisher, with hundreds of papers published each year related to different areas ranging from computer science, mobile & wireless computing, networking and information security.

International Journal of Computer Science and Information ...

The International Journal of Computer (IJC) is an international peer reviewed, indexed, and impact factor journal. The International Journal of Computer (IJC) which publish original research papers, review articles, short communications and technical reports in all areas of computer applications,

information systems, and computer science.

International Journal of Computer (IJC)

International Journal of Computer and Information Technology (IJCIT) is an international scholarly open access, peer reviewed bi-monthly journal. The journal aims at providing a platform and encourages emerging scholars and academicians globally to share their professional and academic knowledge in the fields of computer science, engineering ...

Welcome to IJCIT | International Journal of Computer and ...

International Journal of Computer Systems (IJCS), is an international scholarly refereed monthly research journal that publishes peer-reviewed research articles, which aims to promote the advances in the computer science and engineering and related areas.

International Journal of Computer Systems (IJCS)

International Journal of Computer Applications (IJCA) is a peer reviewed journal published by Foundation of Computer Science (FCS). The journal publishes papers related with topics including but not limited to Information Systems, Distributed Systems, Graphics and Imaging, Bio-informatics, Natural Language Processing, Software Testing, Human ...
