

Is Princeton A Good Engineering

Princeton engineering is well-known and well-regarded. Unlike many other schools with good undergrad engineering, however, Princeton stands out because it's good at everything. Along with a couple hundred other top-notch engineering students, you'll encounter brilliant writers, published researchers, dancers, singers, D1 athletes, "politically-minded" kids, etc. You will encounter much more academic / intellectual diversity than you will at, say, MIT (where everyone is an engineering / NS ...
