Kelvinator 330 impression series fridge leaks water internally and runs on to bottom shelf. I cannot see where it is dripping from, the drain rack is clear as is the cooling component. This is a regular...

SOLVED: Kelvinator impression series 500 fridge leaks - Fixya

Kelvinator impression series 500 fridge leaks The other end of the drain is located in the back of the machine. Remove the cover in the back that covers the compressor, condensor fan motor etc, the drain pan is located back there, and the drain is usually somewhere near the fan motor so that the heat from the compressor can evaporate what water does drain.

SOLVED: I have a kelvinator impression series twin air no ...
