The Land Rover have long tradition to make conversions for different professional use like police, ambulance, rescue, military or for other professions either by Land Rover Spesial Projects Department or by different independent coachbuilder companies.

Range Rover Conversions - Range Rover Classic

The Series II Land Rover launched in 1958 was larger, heavier and more complex than the original, and there was an ever-present need for higher powered engines. Also, the Rover petrol engines in use at the time, with the archaic Inlet-Over-Exhaust valve layout and were approaching the age of 20 years in design terms.
