As title says, I have a Toro Timecutter SS4200 that I bought new in 2017. I don't yet have that many hours on it (12), so I changed the oil only once at 5 hours as the manual recommends. Next oil change should be around 100 hours, but I'll change it once a year even if I don't reach this milestone. The engine is the Toro 452 cc, which is really ...
