The United States Army Air Corps (USAAC) was the aerial warfare service of the United States of America between 1926 and 1941. After World War I, as early aviation became an increasingly important part of modern warfare, a philosophical rift developed between more traditional ground-based army personnel and those who felt that aircraft were ...

United States Army Air Corps - Wikipedia

A voxel represents a value on a regular grid in three-dimensional space. As with pixels in a bitmap, voxels themselves do not typically have their position (their coordinates) explicitly encoded along with their values.

Voxel - Wikipedia

Eat My Dust is a 3D multiplayer world that combines racing, combat, and zombies into a team-building and fun competition. Created in 2007, Eat My Dust divides players into two teams, the Dragons and the Scorpions, and puts them in a head-to-head competition to see which team can drive faster and kill more zombies.
