The Mitsubishi Delica is a range of cabover vans and pickup trucks designed and built by the Japanese automaker Mitsubishi since 1968. It was originally based on a cabover van and pickup truck introduced the previous year, also called the Delica, its name a contraction of the English language phrase Delivery car. This pickup truck, and a ...

Hi, It is really hard to give a good advice without seeing the car. 500K km is a lot of km and you will have to do some maintenance work on it. Try to find out what would be the price of the major components in your country (the engine, transmission, transfer) and by that, try to calculate the risk.
