My Personal Philosophy of Teaching and Learning ...

- My Philosophy on Education My philosophy on education is based on the concept of sharing. Obviously, the most common form of sharing in education is the sharing of knowledge that occurs between a teacher and her students. Although I feel that this type of sharing is crucial, there are many other forms of sharing in education that I value extremely. The sharing of ideas amongst students is another necessary form of sharing in the area of education. I have seen firsthand how effective ...
