### **A Brief Guide to the Iconic Military Watches of World War ...**

The 172 is the most built airplane in history at 43,000 copies. It is probably still safe to say there are more 172s flying in the U. S. than anything else and though production rates today are relatively low, that will remain true for a long time to come. That makes it a true benchmark airplane in a lot of ways, including that good safety record.
