Shapes in art are not foreign to all you Classic Play Art students now are they? No, we've discussed shapes and geometry (remember that vocabulary word) in our Islamic Art Lesson and when we learned about Mondrian's abstract works of art. The word contemporary can be interchanged with the word

Contemporary Art with Circles - Classic Play!

Snow, the exciting, magical, fluffy component to winter's cold temperatures. I hear from those who live where snow is expected each winter that the first snow of the season is the best. A blanket of white. And I must admit, when we travel in wintertime for our annual ski and snowboard trip, it

Editorial Reviews. I had to get past my disdain for potty-mouth-as-marketing-tool to open The Subtle Art...and I'm glad I did...Manson devotes a lot of time to explaining what a jerk he was while growing up, and how his screw-ups ultimately compelled him to be a better person—which made him a happier person.

The Subtle Art of Not Giving a F*ck: A Counterintuitive ...

JCoolArts said... Not sure if I've commented here before, but I really think this blog is awesome. I'm not sure the cause of the inactivity, but I do hope this site can be archived fully as it is an absolute trove of history and examples of animation, much more easily accessible than searching every little thing out one by one.
