"The methods, techniques, planning tool and insight have given us the confidence to take our 4th growing season to the next level!" The video content and the depth at which the course goes from seed to market is invaluable for new market gardeners like us.

### **Enrollment Is Now Closed - The Market Gardener's Masterclass**

"The right tools can make a big difference in becoming a successful market gardener. At our farm we've experimented with different tools and techniques over the last decade to find what really works.

### **Market Gardening Tools – The Market Gardener**

A market garden is the relatively small-scale production of fruits, vegetables and flowers as cash crops, frequently sold directly to consumers and restaurants.

Picture the scene, you're awoken by the morning sun, grab yourself a coffee and step outside. As you take your first sip you watch the sun rising and enjoy the serene sound of birdsong. Everything's tranquil as you take a leisurely stroll around your market garden, making a list of today's tasks. There is a [...]
