

The Story And Its Writer

A short story is a piece of prose fiction that typically can be read in one sitting and focuses on a self-contained incident or series of linked incidents, with the intent of evoking a "single effect" or mood, however there are many exceptions to this.

"The Outsider" is a short story by American horror writer H. P. Lovecraft. Written between March and August 1921, it was first published in *Weird Tales*, April 1926. In this work, a mysterious individual who has been living alone in a castle for as long as he can remember decides to break free in search of human contact and light.
